

Prof. Dr. Hayati ÖZTÜRK

In 1991, he graduated from Sivas Cumhuriyet University Faculty of Medicine. He started his specialization in Orthopedics and Traumatology at Cumhuriyet University in 1995 and became a specialist in 2000. In 2001, he became an assistant professor; in 2009, he was promoted to associate professor. In 2012, he made a minor in the field of hand surgery. He served as the head of the department and deputy chief physician for many years. He has published numerous national and international articles, papers, and book translations in his field and has spoken at congresses and served as a trainer in courses. Since 2025, he has been the Vice Rector of Sivas Cumhuriyet University and a Professor of Orthopedics and Traumatology, as well as an expert in hand surgery at Cumhuriyet University Hospital. In the department, he performs orthopedic trauma, arthroplasty, sports injuries, pediatric orthopedics, and hand surgery.
